# CSI Outdoor Furniture

**Outdoor furniture, by definition, needs to be reliable and tough. CSI guarantees the supply of products on time and manufactured to quality accredited specifications.**

Utilising selected seasoned native hardwoods and modern steel fabrication techniques, CSI outdoor furniture has been designed and manufactured to withstand the extremes of the harsh Australian climate. Durable and long lasting, the quality is second to none.

CSI manufacture meets the highest industry standards. Heavy duty, vandal proof metal furniture is available in a choice of metal finishes such as powdercoating in your preferred colour, or galvanised steel. Timber furniture can be sanded to enhance the natural grain or custom stained. A finish of U.V. resistant lacquer provides lasting durability.

CSI outdoor furniture can be supplied free standing or with modifications that enable anchoring in concrete, paving, rock, timber or metal.

**For further information on outdoor furniture that will withstand the test of time, contact CSI Customer Service on tel: 02 4582 2420, email: [csi@justice.nsw.gov.au](mailto:csi@justice.nsw.gov.au) or fax: 02 4582 2450.**
